# Journal of Education and Learning

Journal of Education and Learning (EduLearn, ISSN: 2089-9823, e-ISSN: 2302-9277)is an interdisciplinary International journal of original research and writing on education which publishes papers to international audiences of educational researchers. The EduLearn aims to provide a forum for scholarly understanding of the field of education and plays an Important role In *promoting* the process that accumulated knowledge, values, and skills are transmitted from one generation to another; and to make methods and contents of evaluation and research in education available to teachers, administrators and research workers. The journal encompasses a variety of topics, including but not limited to child development, curriculum, reading comprehension, philosophies of education, STEM education, instructional technology, technology education, inquiry-based learning, project-based learning, problem-based learning, simulation-based learning, pedagogic and educational approaches, learning management, language teaching researches, teaching and learning at all levels of schooling and institutions of higher learning, the education of special groups, gender and education, education and information technology, theories of education, educational research and methodologies, contributions to current debates in teacher education throughout the world, generally or on specific issues, etc.

Papers published In the three-monthly journal (Feb, $_{May,}$ Aug. and Nov):
(1) report evaluation and research findings;
(2) treat conceptual and methodological issues; and/or
(3) consider the implications of the above for action; and/or
(4) an extensive book reviews section and also occasional reports on educational materials and equipment.

Submit your manuscripts today! **(in English)** through our online system or submit your papers via email: edulearn@journal.uad.ac.ld, cc: didaktika.uad@gmail.com

The authors should refer to the journal for writing format and Style (Please download and use as template for initial manuscript submission). Submitted papers are evaluated by anonymous referees for contribution, originality, relevance, and presentation. The Editor shall inform you of the results of the review as soon as possible, hopefully in 6 weeks.
