

TABLE OF CONTENTS

| | |
|--|-----|
| PREFACE | i |
| TABLE OF CONTENTS | ii |
| NAMES COMMITTEE | vii |
| BIOLOG | 1 |
| Ethnobotany of Food Trees By The Dayak Meratus Tribe, South Kalimantan | 2 |
| The Conflicts of Interest between Oil Palm Expansion and Environmental Sustainability in Seruyan Regency, Central Kalimantan | 7 |
| Cytotoxic activity of <i>Sargassum aquifolium</i> extracts on HeLa cell | 12 |
| Carbon storage of Pulang Pisau Peat Swamp Forest, Central Kalimantan | 18 |
| Study on Bird Diversity in Four City Parks of Malang City, East Java, Indonesia .. | 22 |
| Children Helminth, and Their Relationship: Study on Madrasah Ibtidaiyah Negeri (MIL) ; Islamic Elementary School) Kalintamui, Hulu Sungai Utara District | 30 |
| Resistance of <i>Aedes aegypti</i> from Banjarbaru Towards Several Mosquito Coils . | 34 |
| Arthropobotany of Understory Species in the Loksado Protected Forest, South Kalimantan | 38 |
| Tourist Perception Toward The Environmental Comforts of Natural Tourism Object Gunung Kidul Cave In Gunung kidul Regency, Yogyakarta | 46 |
| Potency of Carbon Sink and Carbon Dioxide Absorption of <i>Pinus merkusii</i> in Banjarbaru, South Konawe Regency | 52 |
| Organical Study of Protein and Anthocyanin Content of Waterleaf Shoot of <i>Cratogeomys triangularis</i> (Jacq.) Willd) Treated with Nitrogen+Potassium Application at Harvest Interval..... | 58 |
| Uptake of Iron (Fe) Uptake by Purun Tikus (<i>Eleocharis dulcis</i>) Grown on Acid Drainage at a Subsurface Flow Constructed Wetland..... | 62 |
| Antibacterial Potential of <i>Photobacterium damsela</i> Subsp. <i>damsela</i> and <i>Vibrio harveyi</i> on Monovalent and Bivalent Vaccines of The Asian Seabass, <i>Lates calcarifer</i> | 67 |

| | |
|--|-----|
| Utilization of Radish Sprout (<i>Raphanus sativus</i> L.) as Biocatalyst for Antioxidant Activity Improvement in The Reduction of Crude Curcuminoid from Turmeric (<i>Curcuma longa</i>)..... | 72 |
| Direct Adventitious Shoot Formation from Tomato Hypocotyls and Cotyledons | 77 |
| The Potential of Rhizospheric Fungi From Critical Land of Sub-District Cempaka, South Kalimantan as Fe-Absorbent on <i>Calopogonium Mucunoides</i> Plant | 82 |
| <i>Funneliformis geosporum</i> of Ujung Genteng Coastal Forest Sukabumi: It's Symptiosis and Potency as Biofertilizer..... | 88 |
| Mauntianin: The Main Flavonoids of <i>Carica papaya</i> L. Leaf..... | 96 |
| PHARMACY..... | 105 |
| Formulation of Metformin Hydrochloride Floating Tablet With HPMC K4m Cr And Sodium Bicarbonate..... | 106 |
| Differentiation of Leukocyte Sheeps Fed by Fraction Katuk Leaf Ekstract (<i>Saururus Androgynus</i> L. Merr) | 112 |
| Potential Analgesic Agents and Action Mechanism of Phytochemicals from Indonesian Natural Products – A Review..... | 117 |
| Optimization of the Drying Method of Red Fruit (<i>Pandanus conoideus</i> Lam) by Descente <i>Instantanée Contrôlée</i> (DIC) | 124 |
| Comination For Stage 1 Hypertension Outpatient In Banjarmasin Ulin Hospital Period of 2013 | 133 |
| CHINATY..... | 138 |
| Potential Recycling of Plastic Waste in North Banjarbaru District | 139 |
| Isolation of NaOH-activated Papyrus' (<i>Borassus flabellifer</i> L) Fiber as a Bio-Adsorbent for Pb (II) Ions | 143 |
| Water Quality Improvement Through Tube Purification Engineering by Using the Sodium Hydroxide Adsorbent in Public Farmhouse in Jabung District, Malang | 149 |
| Isolation of Myristicyl Ethanoate from Myristicin Aldehyde..... | 157 |
| Isolation of Volatile Oil on <i>Blumea balsamifera</i> L. Calli | 161 |
| Isolation and Identification of Terpene From Lampasau (<i>Diplazium Esculentum</i> Swartz) Herbs. | 166 |
| Study on Precondition Time in Ion Selective Electrode (Ise) of <i>Methanil Yellow</i> | 170 |
| Adsorption of Methanyl Yellow by Humin..... | 175 |

| | |
|---|-----|
| Characterization and Dating ^{14}C Banjar's Boat Artifact from Site of Laras Temple, Barito River-Kalimantan | 180 |
| The Effect of Cl Substituent Position in Benzoylchloride Reagent Towards the Yield of Synthesis of the Novel Lead and Substituted Compounds of 1-Benzoyl-3-Benzylurea as Prospective Anticancers..... | 185 |
| Biodiesel Production from Waste Frying Oil: Esterification Using H_2SO_4 and Transesterification Using CaO Catalyst Derived from <i>Anadara granosa</i> | 190 |
| Porosity and Permeability of Soil Clay-Based Mesoporous Ceramic Filter Prepared at 800, 850, and 900 °c | 195 |
| Potential of Coal Fly Ash as Pellet Adsorben to Reduce Level Hg^{2+} in Liquid Waste | 202 |
| Removal of as in Acid Coal Mine Drainage using Water Hyacint (<i>Eichhornia crassipes</i> Mart). Solms) | 206 |
| MATHEMATICS | 216 |
| Capital-Based Risk Measures For Some Probability Models..... | 217 |
| Application of Optimal Control Theory for Inventory Production System | 225 |
| Another Sum of Normal Fuzzy Ideals in <i>Near-Ring</i> | 232 |
| Isomorphism Theorems Of Quotien Module Over Fuzzy Submodule | 235 |
| The Impact of the Perception Value, the Image of the Company, and the Quality of the Product on the Customer Satisfactory Using Tobit Regression Analysis . | 240 |
| Parameter Estimation Of Accelerated Life Test Model On Rayleigh Distribution | 247 |
| Simulation of Portfolio of Percentage Allocation Management Module | 254 |
| Students in Learning the Area Measurement of Two-Dimensiona | 262 |
| Confidence Intervals for Semiparametric Regression Analysis With Missing Data Based The Normal Approximation Method..... | 268 |
| An Approximate Solution for a Two Species Commensalism Model With Limited Resources | 273 |
| Bootstrapping Aggregating Multivariate Adaptive Regression Spline (Bagging MARS Model) for Malnutrition Case | 278 |
